INVESTIGATION OF PLEASANT HILL WATER DISTRICT)	
)	
)	CASE NO. 90-237
)	
_____)	
ALLEGED VIOLATIONS OF KRS CHAPTER 278)	

O R D E R

On April 25, 1990, a periodic inspection was made of Pleasant Hill Water District ("Pleasant Hill"), a non-profit, non-stock water district organized under KRS Chapter 74. The findings of the Commission's inspection were reduced to a report and sent to the utility on May 1, 1990 to obtain a response from Pleasant Hill. Pleasant Hill did not respond to the inspection report until July 9, 1990.

According to the allegations contained in the report, Pleasant Hill is charging to and collecting from its customers a \$20 meter test charge and a \$15 service charge that have not been approved by nor filed with this Commission. By Order entered August 21, 1990, the Commission initiated this investigation finding that a prima facie showing had been made that Pleasant Hill was in violation of KRS 278.160 by charging rates which do not appear in its tariff and which have not been approved by this Commission.

Subsequent to the initiation of this case, Pleasant Hill, by counsel, contacted Commission Staff to negotiate a proposed settlement resolving the issues in this case. The proposed settlement agreement, attached hereto and incorporated herein as Appendix A, was filed into the record on December 14, 1990. The settlement expresses Staff and Pleasant Hill's agreement on a mutually satisfactory resolution of all the issues in this case.

In determining whether the results of the settlement agreement are in the public interest and are reasonable, the Commission has taken into consideration the admissions made by Pleasant Hill in the settlement agreement and the steps taken by Pleasant Hill to remediate and cure the outstanding violations. A review of the provisions of the settlement agreement reflects that all customers who were subject to the unauthorized charges in the past five years shall receive refunds undertaken by giving a credit on the first scheduled billing of the district after the Commission approves the settlement. Any former customer who is no longer receiving service from Pleasant Hill shall receive a cash refund from the utility after the Commission approves the settlement agreement.

After consideration of the proposed settlement agreement and being otherwise sufficiently advised, the Commission finds that the proposed settlement agreement is in accordance with the law and does not violate any regulatory principal. This settlement agreement is a product of serious arms-length negotiations among capable, knowledgeable parties, is in the public interest and

results in a reasonable resolution of the alleged violations in this case.

IT IS THEREFORE ORDERED that the settlement agreement is hereby adopted and approved in its entirety as a reasonable resolution to the issues in this case. Pleasant Hill shall adhere to and comply with all provisions of the settlement agreement. As provided for in the settlement agreement, Pleasant Hill shall provide the Commission with written certification of compliance with the terms of the settlement agreement within 90 days of the date of this Order.

APPENDIX A

APPENDIX TO AN ORDER OF THE KENTUCKY PUBLIC SERVICE
COMMISSION IN CASE NO. 90-237 DATED January 10, 1991.

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

INVESTIGATION OF PLEASANT HILL WATER DISTRICT)

)	CASE NO. 90-237
)	
ALLEGED VIOLATIONS OF KRS CHAPTER 278)	

PROPOSED SETTLEMENT

WHEREAS, Pleasant Hill Water District ("the District"), by Order of the Commission dated September 21, 1990, was directed to appear at a hearing before the Commission scheduled for September 24, 1990, in order to show cause why the District should not be penalized pursuant to KRS Chapter 278 for the District's failure to comply with the provisions of KRS 278.160 for improperly charging an amount in excess of the approved service charge of \$5.00 and for implementing a meter testing charge of \$20.00 without approval of the Commission; and

WHEREAS, the District has taken certain actions in order to remediate and cure the alleged violations, and

WHEREAS, counsel for the District and counsel for the Commission have met and agreed to the following in order to resolve all outstanding issues in this proceeding;

NOW, THEREFORE, it is resolved that:

1. The District shall make no charge for meter testing until such time as such a charge is specifically approved by the Commission.

2. It is further agreed that in the past, the Pleasant Hill Water District has not charged a meter testing charge to any party as is confirmed by the affidavit of an Officer of the District which is attached hereto as Exhibit "A."

3. Further, it is agreed that in the past, the District has charged the sum of \$20.00 per customer as a reconnection fee although the approved fee for that service is the sum of \$10.00. The District agrees to give a credit of \$10.00 on the first billing period available after approval of this Agreed order by the Commission to all customers who have been overcharged. A listing of customers who have been overcharged is attached hereto as Exhibit "B." Any and all customers that have been overcharged who are no longer customers of the District shall be paid a cash refund of \$10.00 mailed to the last known address of that customer. The District will provide to the Commission written certification of compliance with the provisions herein within 90 days of the date of the Commission's Order approving this Proposed Settlement.

4. This Proposed Settlement is submitted for purposes of this case only and is not deemed binding upon the signatories hereto in any other proceeding, nor is it to be offered or relied upon in any other proceeding involving the District or any other utility.

5. If the Commission issues an order adopting this Proposed Settlement in its entirety, the District agrees that it shall file neither an application for rehearing with the Commission, nor an appeal to the Franklin County Circuit Court from such order.

6. If this Proposed Settlement is not adopted in its entirety, the District reserves the right to withdraw from it and require that hearings go forward upon all or any matters involved herein, and that in such event this settlement shall not be deemed binding upon the signatories hereto, nor shall same be admitted into evidence or referred to or relied on in any manner by any signatory hereto.

7. All of the signatories hereto agree that the foregoing Settlement is reasonable and in the best interest of all concerned, and urge that the Commission adopt this settlement in its entirety.
